Make a significant difference for our kids, our sport, our community, and for your business!

To Our Friends in the Business Community:

I am extremely excited to introduce you to **OLYMPIC SOCCER ACADEMY**, based in Plainfield, IL. We are a growing local soccer academy specializing in youth soccer development for children of all ages serving Plainfield & surrounding communities such as Naperville, Bolingbrook, Romeoville, Oswego, Shorewood, and Joliet. We also work with Pre-Schools & Daycare Centers to introduce soccer at a young age focusing on fundamentals, fitness, skills and fun. Throughout the year we host many advanced soccer clinics and camps, developing kids from ages 3-17. Our 5 v 5 Academy Recreation League in the Spring and Fall continues to grow and develop players.

Because of our growth, we are also growing our competitive traveling team program, **TEAM OLYMPIC**, for kids with advanced skills and desire to play competitively. We have won championships in tournaments and within our division. We are excited to develop advanced players and play a role with scholarship possibilities for college.

We are also starting a special needs soccer program to help with kids that have disabilities. We are very excited to bring this program to Plainfield.

We are seeking support from local businesses to help us enrich the lives of children within our community. During these tough economic times, we are aware of businesses being hesitant of investing money into new ventures. This is why we are fully committed to help promote our sponsors within the community at every chance we get. Becoming a Sponsor with us will be a cost effective way to advertise your business while supporting the youth of our community. We'd love the opportunity to give your business the recognition it deserves. As a sponsor you will have several marketing opportunities depending on the type of sponsorship you choose. Our current sponsors have already received referrals to their business.

We hope you will participate in this great program and assist us in providing one of the best soccer experiences for our children. Our vision is big and with your support, we can make a significant difference with our kids, our sport, our community, and for your business!

We welcome any referrals to other businesses that would be interested in supporting our program.

To become a sponsor, please complete and return the enclosed Sponsor Form with your check. We look forward to hearing from you. If you have questions, please contact me at 815-263-3597 or at OlympicSoccerAcademy@gmail.com

Sincerely,

Andreas Papakostas
Olympic Soccer Academy Director
